Objects of the Society.

II. That should any subscriber of two dollars currency desire to become a Member of the Corporation, his or her name must be recommended by two Members to the Secretary, at least one month before each meeting of the Corporation duly held for the election of members, and that at such meeting his or her election be decided upon by ballot. Election of Members.

III. The Meetings of the Society shall be opened with prayer. Prayers at Meetings.

IV. The Society shall, for the present, limit its exertions to affording relief and support to friendless Orphans of all denominations of the Protestant religion, admitted under the regulations hereinafter provided. Objects of Society.

V. The government of the Society shall be under the direction of twenty Managers, who shall be chosen annually at the General Meeting on the first Tuesday in June in each year, and who shall assume their duties as soon as possible after election. Direction to be in twenty Managers.

VI. The Managers shall meet monthly, on the last Tuesday of each month to direct all things necessary for the benefit of the Society. At all meetings of the Managers, five shall form a quorum, for the transaction of business of the Society. One of the Directresses shall preside at all meetings, and if they are absent, a presiding Directress shall be chosen for the occasion. The Presiding Directress shall propose all questions, declare the decision, and have the casting vote. On the requisition of any three of the Managers, the Secretary may call a meeting of the Managers at any time, giving at least twenty-four hours' notice. Some of the Managers, in such order as they may determine, shall visit the house at least three times a week, to Duties of the Managers.

order all things necessary, and shall keep a minute book, in which they shall record their observations on the concerns of the house generally to be laid before the monthly meeting. They shall investigate the management of the Matron and the conduct of the inmates, inspect their work and direct the domestic proceedings of the house. If a Manager is by any means precluded from fulfilling the duties of her office, she shall notify the Secretary thereof before the next monthly meeting, in order that a substitute may be named for the ensuing month. The Managers shall decide upon the claims of applicants for admission to the house, after a perfect investigation relative to the circumstances and situation of the claimant, and shall enquire respecting those persons who may apply to take any of the children as apprentices; and being satisfied of the respectability and competency of such persons to fulfil the terms of the indenture of apprenticeship, shall make the necessary order for apprenticing.

Duties of the  
Treasurer.

VII. The Treasurer shall keep a register of the Subscribers and Donors, and shall receive all moneys and keep an account of the same and the disbursements; an abstract statement of which shall be presented to the Managers at each of their monthly meetings, and a full statement, with the vouchers of all receipts and disbursements for the year, shall be given to the Managers, to be audited by them, not less than eight days previous to each annual meeting of the Society. The Treasurer shall also inspect and certify the account of the Matron previous to each monthly meeting, and pay no bill without an order of the Manager at such meeting.

Duties of  
Secretary.

VIII. The Secretary shall keep a list of the Managers, and give them notice of the monthly meetings. She shall commence the business of each meeting of the Managers by reading the minutes of the preceding meeting, and the statement of the Treasurer. In case of the sickness or absence of the Secretary, a Secretary *pro tem.* shall be chosen by the Managers, from among themselves at such meeting. The Secretary shall keep a record of the children's names and ages, the place of their birth, the religious profession of their parents, and the time and circumstances under which each child enters and leaves the house; and shall, at least once in twelve months, enquire, by writing or otherwise, into the state of the children apprenticed by the Society, and, should the person who becomes responsible for the superintending care of them neglect to fulfil the promise made, she shall inform the Managers thereof. The Secretary shall keep such other books and records as the Managers may require, and conduct the correspondence of the Society. She shall place in the room in which the Managers meet the names of the Managers, with their places of abode, that any person may know to whom to apply respecting the admission or taking away of any of the children. And lastly, she shall prepare an annual report of the proceedings of the Society, to be approved of by the Managers, containing a statement of accounts and management, to be read at the general meeting of the members of the Society, to be held on the first Tuesday in June in each year; of which annual meeting she shall cause advertisements to be inserted in the newspapers of Toronto, at least three weeks previous to the said first Tuesday in June.

IX. The Matron shall be elected by the Managers at a monthly meeting, who shall decide on the amount of her salary (unexceptionable certificates having previously been furnished), and she may be removed without notice, if occasion require. The management of the domestic affairs shall be vested in the Matron, under the supervision of the Managers, who shall provide such other aid as the wants of the house may from time to time require. No relative or friend shall interfere in the management of the children, nor visit them except in the presence of the Matron, nor at any time when such visits are disapproved of by the Managers. A School shall always form part of the establishment, and religious instruction of the Church of England shall be included in the daily education of the School. School hours from 9 to 12 a.m., and from 2 to 5 p.m. There shall be such diet as may be approved of by the Managers or Medical Advisers. The hours of rising and retiring shall be at 6 and 9 in summer, and 7 and 8 o'clock in the winter. The Matron shall pass through the dormitories after the hour of retiring and see that the lights are extinguished and removed. The discipline shall be strictly parental in its character, and the order and decorum of a well-regulated family shall be carefully observed. The Matron is to be particular in her attention to the Clergy and strangers who visit the House, and she shall not be absent or sleep out of the House without permission from one of the Managers. Upon the representation of the Matron of the failure in duty of any of the persons hired, she shall be at liberty (with the consent of the Managers) to dismiss them from service. All cases of disobedience to the orders of the Matron by the inmates to be represented to the Managers.

X. The objects of the charity shall consist of three classes—1st. Orphans; 2nd. Children without a Father; 3rd. Children without a Mother. Preference shall be made of applicants in the above order. All applications for the admission of children shall be made in writing to the Managers (under cover to the Secretary), and must be approved of by them; and the admission of the different classes shall be according to the priority of the applications. The election of the candidates for admission shall be determined by the Managers at their monthly meeting, and to such an extent as the funds of the Society will admit. Any of the Managers may nevertheless in their discretion admit children into the Home in the interim, subject to such approval. Children admitted into the Home shall remain under the care of the Matron for at least one year previous to their being apprenticed, unless circumstances may require this rule to be deviated from.

XI. Children are to be retained in the Home until they are twelve years of age, unless a particularly good situation should offer for a child of an earlier age, when the case may be discretionary with the Managers. The friends of the children are allowed the privilege of procuring situations for them if they can do so on as favorable terms as the Managers. Subscribers to the Society shall always have the preference in the choice of apprentices. Children on attaining the age of twelve years may be apprenticed to such worthy Protestant families as give satisfactory evidence to the Managers, by the certificates of

They may also be apprenticed to any trade, provided the same satisfactory evidence be adduced regarding the character of those to whom they are to be bound. Each child on leaving shall be furnished with a copy of the Bible and Prayer Book, and be provided with a decent suit of clothes adapted to the season. No child shall be bound to a tavern keeper or person keeping a boarding-house, and no female child shall be apprenticed to an unmarried man; and lastly, it shall be particularly covenanted and agreed that a written statement shall be transmitted once a year to the Secretary, of the welfare and condition of the child. Three months after the time of the several annual payments becoming due, if they are not then paid, notice shall be sent to the clergyman who recommended the person as a master, previous to enforcing the discharge of the debt. The Form of Indenture of Apprenticeship is appended hereto.

Yearly Subscription to be paid first Tuesday in February.

XII. The yearly subscription shall become due and payable on the first Tuesday in February in every year; and no person who shall not on or before that day have paid their subscription for the year commencing and computed from the first Tuesday in June previous, shall be considered a member of the corporation, or be entitled to vote at any general meeting thereof.

Endowment Fund.

XIII. An *Endowment Fund* of this Society shall be established, and subscribers thereto of £50 in one sum, or donation of land equivalent to that amount, shall be entitled to nominate one orphan to the charity, who shall be immediately admitted if duly qualified according to the Rules and Regulations. And the said donor, on the death, apprenticeship or removal of the said orphan, may nominate another in place thereof, so that such donor shall always be entitled to have one orphan in the house during the donor's lifetime.

## PROTESTANT ORPHANS' HOME.

Premier Whitney occupied the chair at the 55th Annual Meeting of the Board of Managers of the Protestant Orphans' Home, and spoke in glowing terms of the good work of the institution in protecting and training children who were friendless and alone in the world. He also noted the healthy condition of the children, who occupied several tiers of seats in the assembly hall, and stated that it was a source of delight to him to be present and notice the evidences of success in caring for them. Mrs. Whitney was also present at the meeting.

The reports presented show that the management of the institution during the past year has been very successful, and an active interest has been taken by those who are associated with the work. The financial standing of the institution is also quite satisfactory.

Mrs. J. S. McMurray, second directress, read the report of the Board of Managers, which showed the average number of children each month was 152 and of inmates 162. Since last June 91 children have been admitted, 57 boys and 34 girls. Of these 40 were born in Toronto, 23 in other Canadian towns, 21 in Great Britain, 5 in the United States, and two in Egypt, near Cairo. By religion 51 were Church of England, 17 Presbyterian, 15 Methodist, 4 Baptist, 1 Congregationalist, and 3 Jews. There were 60 who left the home, nearly all of whom were taken by a surviving parent or relatives. One boy was apprenticed, one girl adopted, one boy absconded and went to an elder brother, one little girl died, and two were removed to the Weston Hospital for Consumptives. The conduct of the children was reported good, and the management of the officials highly commended. This report is the last one that will be written by Miss Langton, as she has resigned the position of secretary owing to inability to attend the board meetings regularly.

The financial report, presented by Mrs. L. E. Cowan, treasurer, showed a balance on hand of \$344.20 with a total expenditure of \$9,530.66. The report was for the year ending May 31st, 1906. Mr. J. J. Kelso moved the adoption of the two reports.

Dr. McConnell, home physician, reported only two deaths during the year, two cases of diphtheria and a mild outbreak of measles and whooping cough. The home, he said, was in a healthy condition.

A few brief remarks were made in moving the adoption of the reports by Rev. Canon Cayley and Rev. Mr. Skey, and the latter advanced a suggestion which may be adopted by the managers. He thought that a change should be made in the custom of sending girls out into the world at the age of 12 and 14 years, and that instead they should be retained until the age of 18, when they develop a character and thoroughly realize the responsibility of womanhood. At such an early stage in life these girls too often become the victims of a friendless world and are unable to protect themselves. Rev. Mr. Skey has made a study of the question and spoke from a knowledge of the work in institutions established for the rescue of women.

The officers elected for the ensuing year are: Patron, Earl Grey; Patronesses, Countess of Grey, Mrs. Morrow; Honorary President, Mrs. John Cawthra; 1st Directress, Mrs. Elmes Henderson, 243 Dovercourt Road; 2nd Directress, Mrs. J. THE FIFTY-FIFTH ANNUAL REPORT  
OF THE  
PROTESTANT ORPHANS' HOME  
TORONTO

JUNE 5TH, 1906.

---

The Lady Managers of the Protestant Orphans' Home are again privileged to offer to the public a satisfactory report of their work during the past year, and they desire to acknowledge thankfully the merciful Providence of their Heavenly Father, who is the Giver of all good things.

The fifty-fifth annual report presents but little in the way of novelty. Good health and good conduct have, as a rule, prevailed amongst the children, and although we have had visitations both of measles and of whooping cough, neither were of a severe character, and many children escaped infection. This immunity is largely due to the vigilance of the matron, who is careful to isolate cases of illness at an early stage, as far as possible. But the want of an infirmary where sick children can be effectually isolated is increasingly felt. This necessary adjunct to the Home has engaged the attention of the Board of Managers for some time past, and some preliminary steps have been taken towards obtaining it, either by an additional structure, or by the adoption of a portion of the existing building to the purpose. It is hoped that another year will not pass without seeing this need supplied.

The number of children who have been inmates of the Home during the past twelve months shows a perceptible increase over the previous year. Since last June 91 children have been admitted, 57 boys and 34 girls. Of these 40 were born in Toronto, 23 in other Canadian towns, 21 in Great Britain, 5 in the United States, and 2 in Egypt, near Cairo. By religion 51 are Church of England, 17 Presbyterian, 15 Methodist, 4 Baptist, 1 Congregationalist, and 3 Jews. 65

children left the Home. 59 of them, nearly all, were taken by a surviving parent, or by relatives. One boy was apprenticed, one girl was adopted, one boy absconded and went to an elder brother, one little girl died, and two children were removed to the Weston Hospital for Consumption. One of these, a good gentle girl, who had been for some years in the Home, was of delicate constitution, and she developed rapid consumption after whooping-cough. Everything possible was done for her, but without avail. She died about a month after her admission to the hospital. The average number of children in the Home per month was 152, and of inmates 162.

When our children attain the age of 12 years, the rule is that, if not removed by relatives, they must be placed in situations. Very few are now left for us to provide for in this manner; only one boy having been apprenticed this year, and of those who have been placed out in former years not more than a dozen remain whose term of service is still incomplete. From the employers of these children we receive yearly reports of their health and conduct, mainly satisfactory. And sometimes when a boy's term is up, and he writes to ask for his wages from the Savings Bank, we receive such a gratifying letter as the following from George G.: "I am pleased to find that you and the Lady Managers are satisfied with me prolonging my time with Mr. W. I will admit I am getting big wages for a starter, and I intend to earn them. As to my five year's earnings, I think I had better leave them in safe-keeping, drawing interest, until I can add more to it. I am thankful for the interest you and the Lady Managers took in me, as no guardian could have taken more pains, no parents could have done better than the Home done for me, which certainly does deserve credit. Now I will close my short letter, thanking you and the Home Managers for their kindness, wishing you and all a happy future."

From the master of another lad who has lately completed his apprenticeship we received the following letter: "Enclosed find my last payment for Peter. He has gone to live with Mr. T. M., one of our neighbours. They have two small children, so I think it will be a nice place for him. He is to get \$125 for a year. When he left he had a good suit of clothes, a good overcoat, grey lamb cap, two sets of

“underwear, two every day shirts, one Sunday shirt, three every day pants, four pair of stockings, two pair of mitts, three pairs of boots, and a pair of rubbers and moccasins.” A list of all our apprenticed children is sent each year to the Government Superintendent of Dependent Children, and they are visited by the Government visitor whenever possible, and reports of the visits are forwarded to the Home. The following is the latest received :—

“Report of visit to S. C., a ward of the Protestant Orphans’ Home. Placed with Mrs. O. This is a fine home. A comfortable, large brick house, beautiful evergreens about it, and a splendid farm in every respect. The girl has been there six years and her sister resides about a mile away. S. is spoken of as being honest, truthful and obedient, was comfortably dressed. Can sew nicely, and showed a very pretty hem-stitched handkerchief which she had just finished. Can knit well, and was busy footing a pair of stockings. She has a good education, likes her home very much, and it is to be hoped she may long remain in it.”

The Lady Managers have as usual many kind gifts to acknowledge from friends of the Home. Donations in money, or in eatables, or toys, are always sent at Christmas, and are acknowledged in the daily papers. Mrs. Carlyle’s ice-cream treat in the summer was gratefully appreciated. Other kind friends send gifts of fruit at various times. And the Orphans’ Home cart, when it makes its rounds, is always the recipient of bountiful supplies of buns, cakes, apples, etc., from the bakers, fruiterers and grocers in the neighborhood. These form a valuable addition to the children’s tea, giving them the pleasure of variety. The young daughters of Mrs. E. Y. Eaton organized a private bazaar among their own friends last summer, and realized the handsome sum of \$71.00. The intention was to provide treats and outings for the children during the holidays. And about one-third of the money was thus employed, giving them three outings to the Island and to the parks, and an ice cream treat. The remainder was spent upon new winter hats, which were nearly as great a pleasure.

Mr. and Mrs. W. N. West of Wellesley Street, very kindly presented a gramophone to the Home. Its utterances are a great amusement to the children, and a resource on wet

days. Mrs. Heintzman gave a musical entertainment in the Home in February. She was assisted by friends, and a very pleasant evening was enjoyed. Mr. Kirkpatrick and Mr. Armstrong brought a gramophone to amuse the children in March, and the pupils of Givens Street School performed a cantata.

One important addition made to the Home during the year has been that of fire escapes, according to the city regulations. They were placed in position during the month of October, and we earnestly hope they will never be used. The exterior of the Home was repainted last summer, and it is the constant endeavour of the Managers to keep the property in good repair.

In conclusion, the Lady Managers desire to tender their hearty thanks to all those gentlemen who have assisted them in professional and business matters, to the consulting physicians, as well as to Dr. McConnell and Dr. Hunter, the attending physicians; to Mr. Huson Murray, their solicitor, and to Mr. Elmes Henderson and Mr. R. B. Street, who always give kind help in business matters.

The day school, which is situated in the grounds of the Institution, is regularly attended by all the children of school age, and Mr. Lewis and a band of faithful teachers give religious instruction on Sundays.

Miss Deacon, the Matron, continues to carry on the domestic management of the Home with commendable zeal and success, under many difficulties, and enjoys the full confidence of the Lady Managers. Sergeant Hind, who has been in charge of the older boys for nine years, is also highly esteemed by the Managers. He is most faithful in discharge of his duties, and regards the interests of the Home as his own.

Mrs. Farley, who has been for many years a member of the Board, was compelled to resign this year on account of her health. She is succeeded by Mrs. Scholfield.

The Secretary regrets that this is the last report she will have the pleasure of writing. But her frequent absences necessitate her resignation of an office which demands a regular attendance at the Board meetings.

E. LANGTON,

*Secretary.*

## FIFTY-FIFTH MEDICAL REPORT.

---

The Fifty-Fifth Annual Medical Report is, we think, as most of its predecessors quite encouraging. We have to report two deaths—one from meningitis and one from tuberculosis—two diseases, which considering the number of little ones in our Home, we cannot always hope to escape. There was a mild outbreak of measles with no bad results, however. From the more dangerous contagious diseases, we have been almost free, for, excepting two cases of diptheria, the children have escaped splendidly.

But as we always feel under such excellent care, as that given by Miss Deacon and her staff, added to the able supervision of the Lady Managers, the children in this Orphans' Home cannot help but enjoy, on the whole, excellent health.
